## HUNGARIAN LEZZIE LOVING

### *Aletta Ocean*

In the Hungarian dictionary, when you look up “sexy”, Aletta’s photo is the first thing you see. Going on ten years in the business, she’s appeared in a couple hundred scenes all over the world. We asked her to tell us of her first sexual experience with a woman.

Me and Otsana were each about 20 and she was super cute. We were at college in Debrecen and for the first couple of weeks of the semester nothing much happened between me and Otsana because we stayed in our own rooms, only hanging out together for some girl talk. However, one Friday night that situation changed! Things began when Otsana stumbled into my bedroom, most likely drunk from bar hopping. We sat next to each other on bed and after a few minutes of giggling and joking around, she moved closer to me on the bed. She put her arm around my shoulder and then pulled me a little closer. She leaned over and kissed me squarely on the lips. Finally, it was the action I’ve been hoping for.

Otsana held my head firmly and began French kissing me. Then Otsana pushed me down on the bed,

and began removing my shoes and socks. Next she pulled off my jeans while she helped matters by taking off her T-shirt. She had no bra on, and her young titties bounced freely.

Once Otsana had me naked, she knew exactly what to do. I guessed this was not her first time with a girl. By the time her long tongue was caressing my thighs, she was playing with her nipples. And I could see her lips mouth the words, “Eat me.” (in

Hungarian, of course) She was good at it, not to mention very precise. Her tongue glided from flap to flap.

She then pushed it into my pussy and sucked on my clit at the same time. After a couple of minutes of this, I was writhing on the bed in an obvious climax. She then inched up the bed and began kissing me. After hugging, I began taking off her clothes.

I started sucking on her big tits, and made her nipples pop out. I worked my hand between her thighs and began pushing them in and out. It was so sexy watching Otsana with her eyes closed and her head weaving from side to side. When I turned her over and began kissing her glorious butt, she went wild. I repositioned Otsana and this time I was the one learning to use my tongue. I licked Otsana’s pussy in small circular motions. I could see Otsana building to an orgasm. The bed shook, and she came all over the mattress, finally calming down after a couple of long minutes. When she moved aside there was a large visible wet stain left on the mattress! We cuddled and fell asleep.

# ON THE SCENE HONEYMOON IN THE ALPS

My husband and I decided to get away from home and asked my friend Greta to watch my kids while Aldo and I were away. We had been flirting with the idea for a few months and finally went and got tickets. He's a really nice guy, kinda shy, but I like that in a man.

We arrived early in the morning at the bed and breakfast in the Tyrol district in Austria. We signed in and went right upstairs to unpack. About noon we decided to have lunch at one of the nice wintery restaurants that the area is famous for. Super-hungry, we walked into the first one just a few blocks up the road and had a great lunch with great bottle of wine. We had most of a second bottle – well actually I did – since Aldo doesn't drink too much.

After a couple hours, we were ready to leave and I convinced Aldo to go back to the B&B saying I wanted to show him something there. We headed up to our room. I bounced a little off the walls and he – ever the gentleman – helped me through the door and into the room. I sat on the bed for a moment, composed myself and got my suitcase out. I made him turn his back and went to the bathroom to change into this beautiful lacy bra and garter belt ensemble I purchased for this trip. I came out and Aldo was stunned.

His cheeks turned red and he stammered to get words out. "Liebchen, you look beautiful," he said. I thanked him and went over and took his shirt off. I snuggled into him and began to massage his chest and back, my hands moving across his body and slowly down to his cock. He moaned a little and I gently squeezed it and it got hard-

er and harder in my hands. I began to lick his nipples as I unzipped his jeans and pulled them down. He was wearing these cute blue boxers that I pulled down too and knelt in front of him placing his cock on my cheek and rubbing it. I looked up and saw his eyes closed as he was taking this all in.

I playfully pushed him down on the feather-topped comforter, stripped him completely naked and moved closer to rub his cock on my cheek. I began to lick and nibble the underside of his

cock. I licked and sucked him until he I felt a hot stream of thick, sweet cum something, but I put one finger to his lips to stop him. Then I licked the last of the cum from his still hard cock. I worked my way back up his body to his mouth where I kissed him for a long time. Breaking away, I asked if he could taste his pre-cum on my lips and he said he could. "It tastes a little weird," he said. "I've never tasted it before but mixed with your lipstick, it was neat."

He pulled me close and gave be another deep kiss. "This lingerie is beautiful," he whispered. "I hate to take it off you." "Then don't." I said, pulling my large breasts out from their lacy enclosure. The bra supported them from underneath as they pointed straight at him. He leaned forward and began to suck on my erect nipples. He began to massage them with one hand as the other slipped down between my legs and found my wet pussy. "You shaved down there?" he asked quietly. "'I did just for our honeymoon.'" I said.

**H**e slid his tongue down my neck, between my breasts and down to my panties. He raised one of my legs and held it up as he now slid his tongue down my calf and the inside of my leg. I loved to have my pussy eaten and I couldn't wait for his tongue to lick me. When he finally reached my pussy, I was completely drenched in anticipation. He pulls the panty crotch aside and begins licking me. I moan loudly and that brought a huge smile to his face. His finger now find my hot pussy and teases me, gently flicking my clit with his fingertips. While he is playing with me, I quickly bend my knees so his finger slips inside more easily. I tighten my legs around his hand forcing his finger to stay there and fuck me with it.

Finally, I open my legs and flip backwards on the bed positioning my upsidedown mouth under his hard-again cock. I begin to suck on it and take his balls in my hand. I replace my hand with my mouth on his balls and force both of them into my mouth. Inside, I swirl my tongue around them, gently sucking on one, pushing it away with my tongue to suck on the other. He leans forward and rubs

my breasts and kisses my nipples. I swallow almost his entire length and gag as he starts to thrust himself in and out of my mouth.

He leans over even farther to reach my pussy with his mouth and we're now doing a floor-bed sixty-nine. I oblige by sucking his balls and sliding my tongue between his butt cheeks, seeing if I could reach his asshole. Not my luck, but that was about to change. Aldo pulls himself away and lays on the bed with me. Rolling me onto my side, he gets behind me and thrusts his cock into my pussy. My juices are flowing all over his cock, his legs, and the sheets as he pushes his hardon deep into me. Pulling my leg up for better leverage, he continues to thrust pushing my insides up into my belly. My pussy seems to tug on his cock, pulling him deeper and deeper into me.

Once again his hands find my breasts, pinching my nipples in such a way that it feels like I'm being fucked in two places. My pussy is throbbing. This is incredible. We roll so I am sitting on him, and I now am in control. I squat on him going all the way down his cock, thrusting myself up and down on it. I feel his hand on my ass and I feel my body shuddering down there. Thrusting deep into me, I feel like I can swallow his whole body into my pussy.

I feel him tremble and I know he is about to come. I push myself harder and feel the same feeling coming over me. I ride him for a few more thrusts like a wild bronco and we cum together. I fall over backwards on him and he kisses my neck in pleasure and release. We kiss and smile at each other as I feel his cock throbbing with the spurts of climax inside me. I roll off him and take his cock into my mouth and suck the last remaining drops out of it. I taste our hot wet sex juices and it just turns me on even more.

We cuddle for an hour and jump into the shower together. We spend what seems like an hour in there, soaping each other and rubbing out genitals in mutual masturbation until we cum again. That's three for him and two for me, but who's counting. The next day we don't even leave the room. We fuck all day on the nice big bed. I think last count was twelve for him and sixteen for me. Yodel-ahe-hooooo!!!!

*I'm living in Germany and have graduated college with a degree. I've been looking for a job for almost six months now. My parents won't allow me back home saying I need to get a job. Okay, I'm trying but it's tough for a 23 year old to break into the job market. So, I've been waiting tables and doing other odd jobs as best I can find them. One of them turned out to be in a porn movie in Germany. I liked it and may make it a job for couple years.*

It all started as Heidi and I were heading to a small Italian restaurant in Cologne. I sure hoped the meal would show my good taste in fine food. I had been there a couple times before and it did not disappoint. I especially liked the large semi-circular, over-stuffed booths around the perimeter of the main dining room. And with the long red and white checkered tablecloths, no one could see what was happening below table level. Nor did anyone really care. Besides the food and drinks were great.

Heidi is a "talent scout," she says, for an adult production company

and she spotted me working at another restaurant and thought I was good "man meat" as she called it. I agreed to meet her and here we are now seated in a corner booth and ordered a couple glasses of wine to start along with the antipasto. Our conversation easily flowed for a couple hours, just like the drinks. Feeling wonderfully tipsy and lusty, Heidi started to go a bit further than just rubbing my leg. She went for the zipper, found it and zzzzzp, pulled it down in one swift move.

"No underwear?" she whispered in my ear. "Not tonight." he replied. "That's funny, not me either." she

said as she found my cock and pulled it out from its confines. She squeezed it and it became even harder, especially when she used her fingernails across and around the turgid head. That singular sensation almost made me cum right then and there, but she squeezed hard and stopped me.

She leaned in and told me she liked my hardness. Then taking my hand off the wine glass, she guided it under the table to her wet pussy. With no undies, she tells me to be quick because if she gets too wet, she'll stain her dress and embarrass us on the way out. I say I don't care

and we laugh. My fingers deftly find her snatch and feel no pubic hair.

"You're bald?" I ask as I squeeze the soft flesh around her mound. "Not really," she says, "I have a little landing strip." Well, that was enough to get two fingers pushed into her pussy. She gave out a little moan at the table just as the waiter was passing. "Yes, miss? Would you like something?" the waiter asks. "No, thank you, I'm already getting it." We both giggle and the waiter smiles and moves on.

Dinner's over and she invites me to her home. I pull into her driveway about midnight and we are feeling warm and fuzzy. Heidi invites me in and takes me by the hand straight up to her bedroom. Once inside, Heidi lets her long dress drop from her shoulders and fall onto the floor. She was wearing nothing underneath. Her blonde hair perfectly framed her face and her breasts are

bigger than most and, as I will soon find out, quite firm. Her hips are round and butt's firm, and yes, she has a landing strip.

Heidi told me to show her what I can do. She fell back on the bed, propping herself on her elbows and looking at me as I have been taking it all in. She rolls over onto her belly and motions me to join her. In no time flat, I'm naked and sitting on the bed beside her. I then kiss the back of her neck, dragging my fingers down along her back.

Heidi rolls on her side and positions her head in my lap, instantly sucking on my cock. I fall back on the bed to give her better access to my cock and balls. She grabs them as she sucks down my cock. I slip my hands around her boobs and my fingers find her nipples and I squeeze them hard. She yelps and in return gently bites my cock, baring her teeth for me to see. I squeeze them

again and she gulps the whole thing down and gives my scrotum a twist, that I find painfully pleasurable.

I slide my hand up her legs and finds her swollen clit, massaging with my fingertip over her quivering bud. I plunged my fingers into the juicy depths of her pussy and finger fucked her while she sucked me. Slowly, I sensed her cock sucking became a bit more mechanical, like it was being done for a purpose. Like can she make me cum quickly. I want to hold out.

Soaked by her pussy juices, my fingers begin exploring her perfect butt hole. In the dim light I can see her brown star quivering with anticipation and she does not deny it. Gently circling it, I plunge a finger in knuckle deep. She moves her butt to help push it in deeper.

I felt Heidi's butt cheeks quiver as she felt her booty penetrated. But

the penetration she wanted would take a little time. She dipped her own fingers into her wet pussy and slickened her ass as well. She switched her position to spoon me so my cock could enter her ass more easily. She pushed onto my cock with only a slight wince of pain from the initial entry into her small hole.

I pushed forward, carefully pushing my cock into the tight confines of her anus. I reach around her and massage her breasts, pulling her tighter into me as I slowly but firmly push his cock all the way into her ass. She arches back and grinds her hips into me.

I plunge a couple fingers into Heidi's soaked pussy, then pulling out my fingers and bringing the sensual taste to her lips. She sucks them clean as she feels my cock fill her and massage her insides.

We remained on our sides, relaxing for the moment in the pleasure of one another's bodies and basking in the tingle that rippled over our skins; me with my cock imbedded in the warmth of her body, her ass filled to the hilt with my photographically perfect cock.

But all this was not enough. Heidi's pussy was still empty and she wanted it filled. She lifts a pillow up and stashed under it is her vibrator. She pulls my fingers out and thrusts the vibe inside her, turning it up to full blast. I feel the pleasantly odd sensations as well. It feels like my cock's surrounded by the delicate warmth of a vibrating body.

She clutches one of the pillows as she holds the vibe inside herself. Her body begins to shake as her climax closes fast. She pumps her

ass back into my big cock wildly as the orgasm envelopes her body and all in the world is unnecessary except this moment with this person. I hoped it was real.

I ride her climax, gritting my teeth as I moan out loud, "I'm cumming!" My final thrust spurts my love juice deep into her ass and fills her with the hot delight of my cum. Slowly she pulls away and my cock falls limp.

We lay together in sweat and a gallon of love juices on a bed drenched with our lust; her sphincter sore but happy; my cock satisfied but ready for more. We both lay on our backs as the heavy breathing subsides. Heidi opens her night stand drawer and reaches in for a small notepad. She jots down some phrases and puts it back. I'll let you know what happens after she tells me.
